The WIA provides the framework for a network of State workforce investment systems designed to meet the needs of the nation's businesses, job seekers, youth, and those who want to further their careers. Title I requires a State to develop five-year strategic plans for this system, which must also contain the detail plans required under the Wagner-Peyser Act. Regulations 20 CFR 661.230 establishes requirements for WIA title I and Wagner-Peyser Act plan

modification. WIA section 112, 29 U.S.C. 2822, and Wagner-Peyser Act, 29 USC 49g, authorize this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0398.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on February 28, 2015. The DOL currently seeks to extend PRA authorization for this information collection, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on September 10, 2014 (79 FR 53786).
